REFLECTION ON THE GOSPEL

The first notable feature of salt is its ability to add flavor to food. By calling His disciples the “salt of the earth,” Jesus was instructing them to enhance the “flavor” of the world by bringing the truth of the Gospel and the joy of His message to others. A Christian life lived in fidelity to Christ would make the world a better and more virtuous place, just as salt enhances the flavor of food.

Salt is also commonly used for preservation. Before the age of refrigerators and freezers, salt was mixed with food to prevent corruption, by drawing out moisture and hindering bacteria and other microorganisms. Though this practice is still used today, it was especially vital in ancient times. By being the “salt of the earth,” Jesus was calling His disciples to preserve the world from moral decay. Through their witness and proclamation of the Gospel, they were to act as a preservative against sin and spiritual ruin. If they were to “lose their taste,” they would become indistinguishable from the rest of the world and ineffective in their mission. Hence, Jesus was exhorting them—and us—to avoid becoming watered down and bland in our witness to the Gospel.

Lastly, salt held a significant role in Jewish religious practices, symbolizing purity and consecration. In sacrificial rituals, salt was used to consecrate offerings, as commanded in Leviticus: “You shall season all your grain offerings with salt. Do not let the salt of the covenant with your God be lacking from your grain offering. On every offering you shall offer salt” (Leviticus 2:13). By seasoning their offerings with salt, the Israelites preserved the sacrifices from decay, making them pure. This practice reflects the disciples’ role in purifying the world through their example of holiness, their lives of self-sacrifice, and their participation in Christ’s redemptive work. They were to live lives of integrity, leading others to God through the purity of their hearts and their unwavering commitment to His will.

Reflect today on this powerful metaphor of being the salt of the earth. The world desperately needs the enriching “flavor” of God’s grace. Without Him, the world is left to corruption and decay. With God, we, and those we serve, are preserved as pure and holy offerings, adding to His glory and growing in holiness. Be the salt of the earth. Do not become watered down in your faith. Remain steadfast in your fidelity to Christ and His Gospel, and you will transform the world around you. In doing so, you will not only glorify God but will also share in His eternal joy.

Salt of the Earth

Salt makes food taste good. Jesus called His friends the “salt of the earth” because He wanted them to make the world better. When people follow Jesus and live His way, they share love, joy, and truth. This helps the world, just like salt helps food taste better.

Salt also helps keep food from going bad. Long ago, people used salt to save food because they did not have refrigerators. Jesus wants His followers to help keep the world from going the wrong way. When they love God and do what is right, they help stop sin. But if they stop following Jesus, they are like salt with no taste and cannot help others.

Salt was also used to show something was special and clean for God. People used salt when they gave gifts to God at the Temple. This showed they wanted to give their best. Jesus wants His followers to live clean and loving lives. By being kind, honest, and faithful, they help lead others to God.

Today, remember that Jesus calls us to be the salt of the earth. The world needs God’s love. When we stay close to Jesus and live our faith, we help make the world better. Be the salt of the earth. Love Jesus, follow Him, and share His joy with others.

St. Blaise, Bishop and Martyr

"Through the intercession of St. Blaise, bishop and martyr, may God deliver you from ailments of the throat and from every other illness."

These are the words of the special blessing of the throats customarily given on the Feast of St. Blaise.

We know very little about St. Blaise other than that he was Bishop of Sebaste, in Armenia, in the early years of the fourth century. Legend takes over from there, and tells the story of an anxious mother who hurried to Bishop Blaise with her little boy who had a fish bone lodged in his throat. The saint called for two candles, lit them, held them in the form of a cross under the little child's chin, recited prayers and blessed the boy. Immediately the bone loosened and was removed. Devotion to St. Blaise was very popular during the middle ages, and continues to our present day.

We all want relief and protection from physical troubles and ailments of the throat – (hoarseness, choking, colds, and cancer). But there are also spiritual diseases of the throat, more harmful often than the physical ones. We ask protection from these as well. These are spiritual troubles which are beyond the cure of the greatest throat specialists. They are the evils of unkind speech, curses and lies.

Each year, as you receive the blessing of St. Blaise, ask through his intercession for deliverance from physical and spiritual evils of the throat and tongue.

On Saturday, March 7, we will be holding our 12th Annual Central Florida Laps 4 Life event at Bishop Moore Catholic High School. Since 2014, this fundraiser, with the partnership of the Knights of Columbus, has helped to donate over 50 ultrasound machines and many other materials for crisis pregnancy centers.
